From Arlanda Airport (ARN) to Stockholm City Center

1. **Flygbussarna Airport** coaches operate between Stockholm Arlanda and the Stockholm city center. They run every twenty minutes during most of the day. The price is ca 120 SEK/person (approximately 13 EUR) for a single ticket and the trip takes about 45 minutes. There are several options available for buying Flygbussarna tickets. The most convenient ways are to buy your ticket directly on the Internet, using an app, or via SMS. You can also buy tickets at Cityterminalen, the airport, at resellers or on board with a charge card. For more detailed information please visit <http://www.flygbussarna.se/en/arlanda>.
2. **Arlanda Express** train to the central station. The cost is 260 SEK/person (approximately 29 EUR) for an adult single ticket. Round trip fare SEK 490 (approximately 54 EUR). Train takes about 20 minutes. There are 4 – 6 departures per hour.
3. **A taxi from the airport.** This costs about 470 - 520 SEK for up to 4 people (approximately 52-57 EUR) depending on the taxi company. There are taxi stands outside each terminal at the airport where you can get a taxi with fixed prices. The companies that we would recommend are Taxi Stockholm, Taxi 020, Taxi Transfer and Taxi Kurir. The journey will take about 45 min. Approximate price for a taxi to our office from Arlanda Airport is 550 SEK (approximately 60 EUR).

From Skavsta Airport (NYO) to Stockholm City Center

1. **Flygbussarna Airport** coaches operate to and from Stockholm Skavsta Airport on these routes: Skavsta - Stockholm Cityterminalen (non stop). Costs ca 120 SEK/person (approximately 13 EUR) for a single ticket and takes about 1 h and 27 minutes. For information and timetable, visit [Flygbussarna Airport Coaches'](#) website.
2. **A taxi from the airport.** You can easily book in advance via Internet. <http://www.taxibokning.se/Public/Default.aspx>
An approximate price to Stockholm from Stockholm Skavsta Airport is SEK 1,500 (approximately 165 EUR). The journey should take around 1h and 10 minutes.
